# Camino Health Center

Dear Friend of Camino Health Center,

Camino Health Center is proud to announce our 2022 Golf & Croquet Classic on **April 25 at Tijeras Creek Golf Club**. This year marks our 10th anniversary of bringing together community and business leaders for a day of fun to support Camino Health Center's most vulnerable patients who depend on us for care.

On behalf of the Camino Health Center Auxiliary, which is celebrating its 37th year, we would like to offer you the opportunity to sponsor, participate, and donate an experience, item, or gift certificate for our auction on the day of the event. The Auxiliary has raised over **9 million dollars** to support Camino with community-based clinics in Lake Forest, San Clemente, and San Juan Capistrano.

Camino Health Center provides affordable primary medical, dental, behavioral health, optometry, and WIC (Women, Infants, and Children) nutritional services. Offering these services benefits the community in the following ways:

- Caring for vulnerable families that have nowhere else to turn
- Creating equity in access to healthcare for all
- Strengthens the overall health of all residents in south Orange County
- Local emergency rooms are relieved of hundreds of patients who are served more appropriately in our health centers
- We turn no one away for inability to pay

Will you include Camino Health Center in your philanthropic giving this year? Please submit your donation **by April 15, 2022**, to ensure proper recognition at the event.
